Profile

Hello! I am Ngatia, an enthusiastic Information Technology student with a passion for software development, problem solving, and continuous learning.

Education

- **Bachelor of Science in Information Technology**
Karatina University, Kenya
Expected Graduation: 2029

Skills

- HTML & CSS
- Basic Python
- Git & GitHub
- Graphics Design specialized at animated Logo Design

Projects

I'm just a beginner in the software development field so the latest and the first project I've created is this hackathon project. After I'm through with this program I believe I will be able to create a better and interesting portfolio

- **Portfolio Website:** Built a personal portfolio using HTML and CSS.

Interests

1. Software development
2. cybersecurity in AI
3. Data Science
